Short pitch:

An personal Blog.

Long description:
A personal blog used to show people who I am and what works I've done. It include my cv,
a list of my achievement and a list of works. I temporarily decide to use a index divided into
columns lengthwise. It is comfortable for others to read,and capable to lay what i'm going to put
there.

Thanks for their help in my life:

XB,the gifted

Baokuang,the big brother

Leon, my CSE mentor
